

Dear Students,

I have created a **common Google Spreadsheet** containing the **team details for all batches** for the course **CSE23AE204 – Professional Coding Practice (PCP)**.

**Action Required (Mandatory):**

1. Open the spreadsheet using the link shared.
2. **Verify your Team Number, Name, and Unique ID carefully.**
3. In the “**OOPs Project Title**” column, **enter your finalized project title**.
4. If there is **any mismatch in team members or details**, inform me **immediately**.

**Deadline: 12 January 2026**

After the deadline, **no changes will be accepted**.

Please ensure that:

- One **common project title** is used per team
- The title is **clear, meaningful, and OOPs-based**

Complete this at the earliest to avoid last-minute issues.
